

# 2017 Norfolk & Suffolk Picture Rally

**This rally is not a competition.**

**Please read this info sheet**

For this rally you will visit landmarks in Norfolk & Suffolk there are 32 listed but it's up to you how many you do, there are points awarded purely for your own information, everybody who enters and return their pictures will receive a participation certificate on which will be recorded the points achieved.

You will need to do some research to find the location of the landmarks and to be able to answer the questions, this can be done on the internet or by visiting a library or by using local knowledge ( ask people ).

You must take a photograph of your bike at the landmark and show your bikes reg. plate in at least one picture for each bike used. However some of these sites will involve a short walk and where you can not get the bike in the picture show your crash helmet in the foreground.

If for any reason you can not walk to the landmarks take a picture of information boards or village signs and write your reason on the question sheet.

If an entry fee is involved and you don't wish to enter take a picture of the entrance or info board showing the name of the landmark.

**Please do not take your bike onto private land without gaining permission and respect the countryside code.**

**In the event that any landmark is now private and can not be photographed from the road try to take a picture of the village sign or a shop front with the village name on it.**

**If a landmark has been converted to private use please use your discretion if photographing these, IE turn off your engine and try not to be intrusive.**

All the landmarks are churches most in ruins or redundant and some are quite isolated, you are provided with the name of the church and the village it serves or served.

Also in your pack you will find a question sheet for each county and the questions are numbered in the same order as those of the landmarks, there is space to write your answers below the questions, please note that we have tried to ask two questions per landmark A&B but some have only one.

You will find these answers in the churchyard or in the porch but not inside the church, some may be located nearby, pay attention to the way the questions are worded.

**Please write down your answers and do not rely on photographs as your answers.**

**Remember to number your pictures the same as the landmarks and keep them till rally ends then send them to me or bring them to the bacon butties morning.**

Hope this all makes sense if not just ask Mick Long.
